Dear Sir/Madam,

A REQUEST FOR DONATION TO HELP VULNERABLE CHILDREN

It is with deep heart that I write to the affable organization in sought for support or donation for an execution of friendly environment to vulnerable children within party of some our deprived and marginalized communities.

As registered and verified with my details, I will still like to categorically and clearly spell out my details for the organizations perusal. I am Abdulai Sadik, a graduate from the University for Development Studies; I have acquired Bachelors Degree in Development Management which is much into rural development and community development respectively.

After going through our organizations about, I got to realized that, we are still growing body and I will like to use that as an opportunity to leave the amount decision to the front line management (i.e. the amount that the organization think it can offer me to execute the project).

I hope to be hearing from you. Thank you.

Yours faithfully

Abdulai Sadik
